Take your
Tablet PC...

Upgrade & Protect
the one you love.

NEW
Screen Protection for Tablet PCs

Apply a self-adhesive
3M™ Natural View Screen Protector...

Owners don't simply rely on their tablets... they cherish them. So what could be more natural than wanting to protect and keep their screen looking new?

That is why 3M has created the Natural View Screen Protector – the most effective way to protect a tablet screen throughout its lifetime against scratches, marks and scuffs.

3M Natural View Protector Film. Upgrade your tablet today...

- **Crystal Clear Images** Advanced protective film technology reduces front surface reflection and maintains clarity – even in bright light conditions.
- **Scratch Resistant** Provides superior screen protection against scratches and damage.
- **Smudge Resistant** 3M™ Scotchgard™ technology allows fingerprints and oils to wipe away easily.
- **Long-Lasting Protection** Durable hardcoat protection for your device.
- **Stay-Clean Edges** Innovative technology prevents dust and grime from collecting on the edges of screen protector.
- **Easy On/Off** 3M's residue-free adhesive means your screen protector goes on easily and removes cleanly.
- **Lifetime Warranty** Protection for the lifetime of your device, from the brand you can trust.

Lifetime screen protection* in just a few seconds!

Also available for Apple® iPhone® 4/4S

For our range of tablet and smartphone protectors please go to next page...

***3M warrants** that the Product shall conform to 3M's published specifications for scratch resistance for the term of the original purchaser's original device service plan or warranty agreement. In the event of a failure 3M will replace the Natural View Protector free of charge subject to 3M having a replacement part in stock. Should the replacement part not be available an alternative arrangement will be made. Visit www.3m.co.uk/screenprotectors for details.
